30 years KUBOTA- KRONE Dealer

WATSON TRACTORS are pleased to be nominated for the 2013 Bathurst Carillon Business Awards in two categories " Excellence in Rural Achievement" and Excellence in Product and Services".

The nomination falls at a time of celebrating 30 years as a KUBOTA -KRONE-JARRETT-CHALLENGE-BARE-CO DEALER. Thirty years is a long time in any business, let alone surviving 30 years as an Agricultural Dealer in Bathurst and in regional NSW. Our family owned, family run business has survived through good and horrendous years of prolonged drought, world recession, continuous hard economic times and the relocation of the local Stock Selling Yards. With resilience, sheer determination, hard work and loyal staff members, WATSON TRACTORS has cemented it's place as Bathurst's longest established Agricultural Dealership. Excellent reliable products and after sales service have contributed to reaching this milestone. We wish to sincerely thank each and every one of our customers who have supported our Business over many years. We have clients who have continually returned time and time again purchasing and adding to their farm equipment requirements. Thirty years ago the Kubota and Krone products were relatively unknown names in Agricultural Industry in this region and today these products hold their name for totally reliable Tractors, Turf, Hay Equipment, Power Equipment and All Terrain Vehicles.

We will be humbled to receive your vote for the up coming Bathurst Business Awards. You can register your vote by completing the form published in the Western Advocate, or go online to www.westernadvocate.com.au, click on "Crowe Horwath Carillon Business Awards 2013" and search categories. Voting is available after Monday 5th August.

There has been national advertising on the release of the

New KUBOTA Grand X Series Tractors.

These new Tractors have loads of enhanced features including Bi-Speed Turn resulting in smoother, tighter turning. The impressive extra large ultra deluxe cabin is one of the largest in its class, delivering unobstructed view from every angle. This new range of tractors 100-110-126-135hp are setting new standards in Tractors for the serious farmer. We have in stock the new M135GXS for your inspection and test drive, call in and place yourself in the seat of this new generation of Tractors.

KUBOTA are offering huge discounts on these Models and also **1.99% p.a.** interest rate with 30% deposit, 36 monthly repayments to approved ABN customers (conditions apply). This low interest rate should be very appealing if you are considering updating your current tractor or in the market for a new farm work horse.
